### **Reason for Allowance**

1. The following is an examiner's statement of reasons for allowance: the closest prior art reference of record is the patent to Funabashi, cited in the previous action. However, the reference does not teach or suggest the inputting information including bittors (as defined in the specifications, as a two-dimensional object) indicating uncertainty of correctness.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to John Chavis whose telephone number is (571) 272-3720. The examiner can normally be reached on M-Th, 8:30am-5:00pm, EST.
